INT. CABIN

4 people are in a cabin in the kitchen,

(TRUCK) SHOT REVEALS NEWSPAPER ON THE WALL AND 2 CHARACTERS  
IN THE ROOM BEHIND

SHOTGUN & PASSENGER

Hey, we are going to the grocery  
store right now we'll be back soon.

DRIVER

Alright sounds good  
(Mockingly)  
Don't be out too late!

Driver talks to Backseat

DRIVER (CONT'D)

Dude you gonna do it?

BACKSEAT

Yeah man just give me a minute

Backseat goes into the kitchen and opens a drawer and grabs  
an item, then leaves the cabin, following Shotgun and  
Passenger.

EXT. OUTSIDE OF CABIN, JUST LEAVING (DAY/AFTERNOON)

Shotgun and Passenger are walking to their car. Faintly,  
someone else's footsteps can be heard in the distance.

Shotgun and Passenger don't seem to notice the footsteps at  
first. After a few seconds, they stop. The other footsteps  
stop shortly after.

Shotgun and Passenger continue walking towards the car, not  
phased by the noise.

Shotgun and Passenger then approach the car. As Passenger  
walks towards the other side, a figure (BACKSEAT) pops up and  
scares Shotgun and Passenger.

PASSENGER

What the-! What are you doing dude?

SHOTGUN

Not cool...

Backseat laughs

BACKSEAT

You should've seen the look on your faces!

(Laughs)

Alright, make sure you get some milk my guys.

SHOTGUN

Go back inside.

Shotgun and Passenger then get in the car.

STILL SHOT of the car driving off. Cut to next scene.

INT. GROCERY STORE

EXTREME WIDE SHOT OF THEM WALKING INTO STORE

Shotgun and Passenger grab the necessary items and go to the checkout counter

They walk into the store and have a "stare down" with the check out person

CHECK OUT LADY

You boys aren't from around here, aren't you

PASSENGER

Nah we aren't from here, we're just visiting y'know

CHECK OUT LADY

Alright y'all better be careful around these parts.

PASSENGER

Why is that?

CHECK OUT LADY

Have a nice day

Shotgun and Passenger leave, but Shotgun looks back and we see the check out lady staring back at them again.

(TWO SHOT) DOLLY/SHOULDER RIG FOLLOWING SHOTGUN AND PASSENGER  
AS THEY TALK

SHOTGUN

Dude these townfolk are really  
weird, they act like they've never  
seen an outsider before.

PASSENGER

Yeah I guess man, but it doesn't  
bother me too much.

Passenger and Shotgun go back to the cabin

EXT. CABIN

Passenger gets out of car with the groceries

DRIVER

Hey, you forgot something  
(reaches in the car to get  
the item, then throws the  
bag at the passenger)

PASSENGER

Lets go of the other items and catches the one item  
Seriously man... did you have to  
throw that

INT. CABIN

They go into the cabin.

Driver is in the living room, just by the door.

DRIVER

Ah! You guys are finally back.  
Heard you guys didn't appreciate  
Backseat's little prank, did ya?

Shotgun and Passenger set down the groceries.

SHOTGUN

Definitely did not like that too  
much.

Driver laughs.

PASSENGER  
(Agitated) Well, do you  
want to help put these  
away or?

DRIVER  
Yeah, I guess.

Driver gets up to help Passenger & Shotgun put away the  
groceries

The three then walk back into the living room, shortly after  
unloading the groceries

Backseat walks from another room/from upstairs

BACKSEAT  
Hey hey, looks like the ladies are  
back.

A chuckle comes from Driver

SHOTGUN  
Still not too happy 'bout that  
little prank of yours.

BACKSEAT  
You'll get over it soon enough.

Backseat lays down on the couch

At the same time, the door slams.

BACKSEAT (CONT'D)  
So who's the idiot who forgot to  
close the door?

PASSENGER  
That's my bad. I guess mother  
nature took care of that for me.

Driver jumps up from his seat and goes over to the door to  
check on it.

DRIVER  
Looks all good to me.

Backseat sits up from laying down

BACKSEAT  
(Mischievously)  
Alright now, let's have some fun.

INT. KITCHEN

Dr. Pepper (or another type of Soda) slides across the table.  
Backseat pops open the Dr. Pepper.

Backseat starts to pour the Dr. Pepper into a bunch of cups.

Fast-paced, hyped music begins to play

MONTAGE

(If time) Two of them quickly setup a make-shift ping-pong  
and begin playing Ping-pong on the dining room table.

They all slam a can of Soda down on a table and all start  
chugging at the same time

One person is throwing Marshmallows into another persons  
mouth as the other two cheer it on in the background

One person begins to chug an entire 2 liter bottle of a Soda  
and the others are yelling "Chug, chug!" in the background

[In the background of all Chugging scenes, a figure can be  
seen in the background]

The music begins to slow down

All of them start throwing toilet paper around the house

The music slows down even more

Cuts back to one of them chugging the soda, with "Chug,  
Chug!" being slowed down as well.

One of them tackles Shotgun onto the couch

Shotgun hits the couch, cut to black (or next scene)

END OF MONTAGE

INT. CABIN (MORNING)

SAME COMP. AS COUCH FALLING SCENE

Shotgun rubs his eyes, and awakes.

He gets out of bed sluggishly, and walks towards the bedroom  
door.

Shotgun walks downstairs and sits down on the couch. Driver is already present.

DRIVER

Morning.

SHOTGUN

Looks like I'm not one of the first to wake up.

DRIVER

You sure aren't. I've been awake for about an hour now. Not another sound from anyone else.

DRIVER (CONT'D)

Damn.

Backseat walks downstairs.

BACKSEAT

(Tiredly)

Well good morning party animals! Did y'all have fun last night?

DRIVER

Yeah, just a little bit too much for me.

BACKSEAT

Oh please, you barely did anything last night.

SHOTGUN

(Interrupting)

Has Passenger woken up yet?

DRIVER

(Stuttering)

I-I haven't heard anything from him yet.

BACKSEAT

He got real caught up in the fun last night.

SHOTGUN

Surprised it wasn't you.

A moment of silence

DRIVER

One of us should probably go wake him up.

BACKSEAT

Sure ain't gonna be me.

Another moment of silence.

SHOTGUN

I guess I'll do it then.

Shotgun gets up and walks upstairs.

Shotgun opens the door to another bedroom, and looks inside

(MS) OF A BED, EMPTY

Shotgun, looking puzzled, leaves back downstairs

Shotgun walking downstairs, Driver projects his voice:

DRIVER

(Projecting)

So?

Shotgun continues walking towards the couch

SHOTGUN

Uh...

BACKSEAT

(Agitated/hurrying)

What is it?

SHOTGUN

He wasn't up there.

DRIVER

(Interrupting &  
Stuttering)

I-I think I heard get up earlier.  
Check the bathroom.

Shotgun Walks swiftly to the bathroom

When shotgun walks into the bathroom a loud sound happens

Driver hears the loud sound and runs into the bathroom

Badguy Grabs drivers shoulder and the screen goes to black.  
THE END.
